PROFESSIONAL EXPERIENCE

Creative Strategist and Team Lead

Ingrowth Viral Groww Pvt. Ltd. • January 2025 – Present • Delhi, India

- Directed creative strategy for 40+ active D2C brand accounts monthly, contributing to campaigns across 120+ brands spanning health, technology, gifting, fashion, wellness, accessories, and other D2C consumer categories.
- Led a 10-member team of Graphic Designers, Video Editors, Meta Ads Managers, and a Junior Strategist, managing creative briefs, workflows, and delivery across all active accounts.
- Built a structured creative testing system — developing hypotheses, producing multiple ad variants, analysing Meta KPIs, and scaling winners — maintaining a **30 to 35 percent winner rate** across **1,200+ creatives**.
- Managed end-to-end UGC production across multiple brands, with top creatives achieving a **54 percent hook rate** and **3.13 percent CTR** on lead-generation campaigns.
- Implemented an AI-assisted ideation workflow, reducing creative briefing time significantly, and trained the full team on practical AI tool usage.
- Took end-to-end content ownership of the agency founder's in-house D2C brand from scratch — coordinating product shoots, editing, and all ad creative production — scaling it from zero to **Rs 2.5 lakh+ in monthly sales within one year**.
- Handled all client communication across 40+ accounts with a **one-hour response SLA**, led daily reporting and escalations, onboarded interns, and coordinated cross-functional execution across creative, media buying, SEO, and web development.
